Fourteenth Sunday in Ordinary Time — July 9, 2017

Sacrament of Marriage: Who, What, Where and When

Years ago people looked upon the months of May, June and July as the time for weddings to be celebrated. While it is true that more weddings are celebrated during the summer weeks, we do have a significant number that occur during the rest of the year. Also, while most weddings take place on Saturdays, more and more it is becoming common to celebrate the wedding on Friday or Sunday. Occasionally couples will have many questions concerning the whys and wherefores of the marriage celebration.

In keeping with both church law and tradition, the marriage ceremony takes place in either the parish church of the bride or the parish church of the groom, that is, the parish church that either one of them or their parents are registered members. Sacraments are community celebrations and as such are normally celebrated in the place where the community gathers week after week: the church building. It is also common to have the wedding celebrated in the chapel of a college, university or high school if the bride or groom is a graduate of that school. With special permission from the Bishop of a diocese, permission can be granted to celebrate the Sacrament of Marriage between two Roman Catholics outside.

Permission can be given for the ceremony to take place in some other place when a Roman Catholic marries someone who is not Roman Catholic: a baptized Christian of another denomination, a Jewish person, a Muslim person, etc. Permission can also be given for the vows to be witnessed by someone other than a Roman Catholic priest or deacon: A minister of another Christian denomination, a Rabbi, and Imam, etc. Or both a priest and the minister can officiate at the wedding, but only one of them witnesses the vows and signs the license along with the witnesses.

And use of the word 'witness' is important. In our Roman Catholic tradition we believe that the bride and groom marry each other, the priest does not marry them. The priest, best man and maid of honor are there strictly as witnesses to verify that the bride and groom pronounced the vows and married each other.

For most Roman Catholics, the wedding ceremony takes place within the Celebration of the Eucharist (Nuptial Mass). The use of the Wedding Ceremony without the Nuptial Mass is used depending on the faith level of the parties involved or when either the bride or the groom is not Roman Catholic.

The 'Common Policy on Marriage' adopted by the Roman Catholic Dioceses of New Jersey require that arrangements with the parish church be made at least one year in advance. This is to ensure plenty of time for the necessary paperwork to be completed, Pre-Cana sessions to be attended, etc., consultations with the priest and music ministers, etc. The couple should always select the date with the church prior to making arrangements with the caterer.

Beginning in 2017, a new 'Order of Celebrating Matrimony' began to be used in the United States. It brings the prayers of the Marriage ritual into line with the prayers that are in the Roman Missal we now use. There are also some slight adjustments to the ritual itself.

CHOIR IS LIKE A FAMILY

There are times when we don't get along with each other.

There are times when we feel like ripping out each other's hair.

There are times when we just want to give up and quit.

But we don't.

We don't because we have each other to lean on and to help us through the tough times.

We don't because we don't want to let each other down.

We don't because our bond with each other is stronger than our love of music, the thing that brought us together in the first place.

We don't because
