## *Liturgical Mystagogy*

### **"Beauty Will Save the World":**

#### **Rediscovering the Allure and Mystery of Christian Liturgy**

In today's world we have technology, security, and a measure of prosperity, but where is the beauty/God?

For thousands of years, artists, sages, and theologians have connected the beautiful and the sacred and identified art with our longing for God. Now we live in a day when convenience and practicality have largely displaced beauty as a value. The church is no exception forgetting that "Beauty" is one of the names for God.

To help us to appreciate the "beauty" of the Christian liturgy, we are given the possibility to meet four (4) times for some "liturgical Mystagogy" or "liturgical catechesis." These meetings will help us to proceed from the visible to the invisible, from the "sign" to the "reality signified", from the "sacraments" to the "mysteries."

The aim of these meetings is to develop, in our spiritual life, the capacity to taste the mysteries of faith through the signs that are performed. Hopefully we will be helped to have a personal, transforming experience of the Risen Christ, present in the Liturgy

You are cordially invited to come and avail yourselves of this opportunity to deepen your faith.
